

The Erie VAMC Emergency Room is now an

Urgent Care Center

Hours of Operation: Open 8 a.m. – 8 p.m. every day of the year, including weekends and holidays.

Services Provided: Erie VA's Urgent Care Center provides *the same great urgent care services* that you were used to receiving in the former Emergency Room, just no emergency issues that would regularly require an ambulance.

No appointments are necessary. If you are unsure whether you require urgent care or require emergency services, call our 24-hour Nurse Call Line at 814-860-2100.

Ambulances:

If you need to call an ambulance, the crew knows to take you directly to an outlying emergency room. You don't have to worry about making that decision.

Location:

Nothing has changed. The Urgent Care Center is exactly where the former Emergency Room was located.

If you have questions about payment, please call 814-860-2800, Monday through Friday from 8:00 a.m. – 4:30 p.m. After hours, phone calls can be directed to 814-860-2165.
